

Rocket Quilt Guild Mystery Quilt 2015

Clue #4

(Last Clue)

This clue is for adding the borders.

For the first border, using the medium fabric, cut 6 strips $3\frac{1}{2}$ inches wide. Stitch 4 of the strips together to make 2 longer strips.

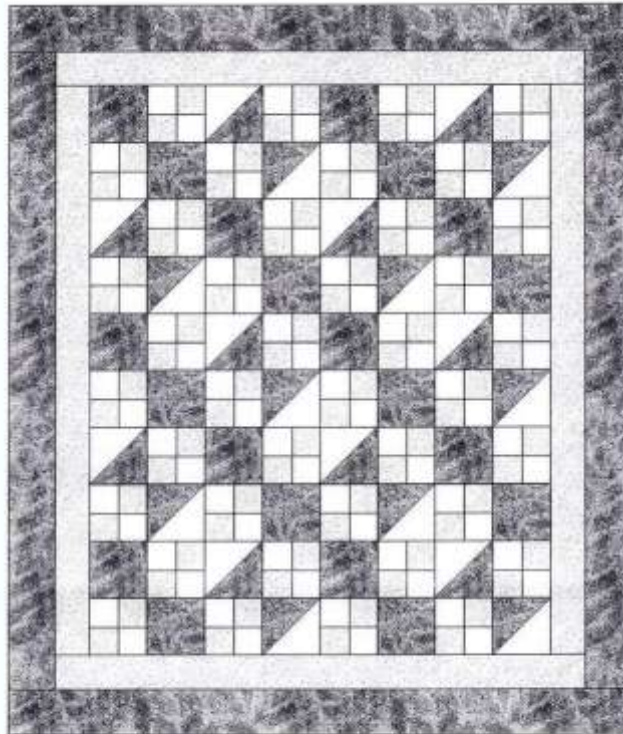

Sew the first border to the top and bottom of the quilt top. Then stitch the sides. (Measure twice, cut once.)

For the second border, cut 8 strips $5\frac{1}{2}$ inches wide from the dark fabric. Sew together in pairs to make 4 longer strips. Stitch top and bottom, then sides.

The quilt should measure 64 x 74.

Congrats, your quilt top is now done! Now you can sandwich and quilt!
